

SCHOOL BOOKLIST

Box of Books

Oxley College

Year 10 Booklist 2024

Box of Books has been chosen by your school to provide an all in one online ordering system for your child's digital and physical textbook supplies.

Ordering via the BoB shop is quick and easy. It is important that you place your order online by no later than [12:00pm on Monday 15th October](#) by following these steps:

1. Visit [www.boxofbooks.com.au](#) to create your parent/guardian account
2. Add each student, nominating their school and year group
3. Select the items you wish to purchase from the booklist shown
4. Use the checkout to organise postage and payment

Students with digital texts can access these without the need of an access code by signing into the Box of Books school portal using their standard school email login.

Your student's school portal can be found at:

Physical books will be shipped to your home address. Delivery can be tracked through your Box of Books account. To ensure you receive all available items please order by [12:00pm on Monday 15th October](#).

If your order includes physical resources or books you will be charged a flat charge of \$15.95 for delivery if you order before [12:00pm on Monday 15th October](#). Any orders received after that date may incur a higher delivery fee. Digital only orders are shipping free!

We make every attempt to fully supply all physical orders; however, we cannot guarantee stock levels for orders placed after [12:00pm on Monday 15th October](#). Your order may be split into multiple deliveries.

The prices provided are correct at the date of publication but are subject to change. Any changes to prices will be updated in the Box of Books Shop as they occur.

Our refunds and returns policy is available at:

Where available, Box of Books offers the option of "Digital on BoB & Physical" or the cheaper option of "Digital on BoB". When the school requires students to use a specific format, this is noted on the booklist. Where not indicated, students can select either option based on their preference.

Once purchased, the digital texts can be accessed by signing in to the student's Box of Books account. We strongly recommend students sign in to Box of Books before the start of school to ensure their textbooks and publisher interactives (e.g. online quizzes) are set up prior to the commencement of term.

Languages: French continued...

Tapis Volant 2 Student Book, eBook & Workbook PACK (4ed)
Cengage Learning

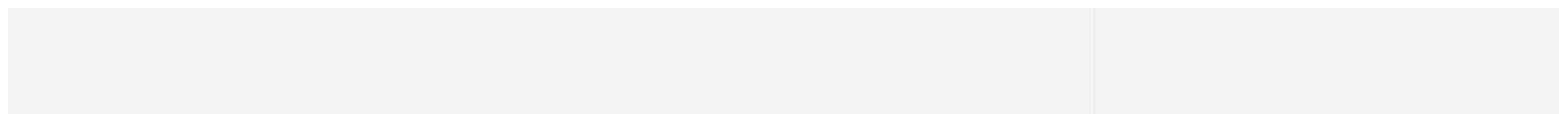

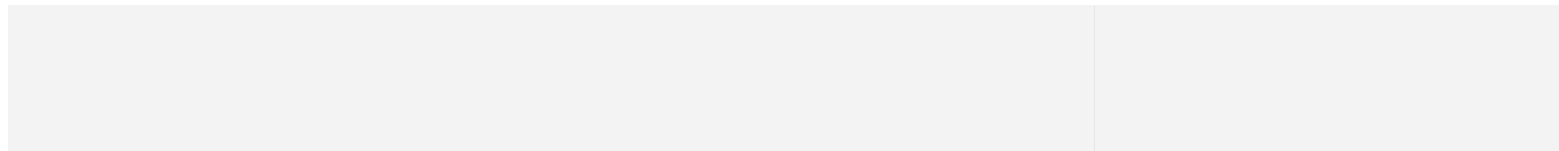

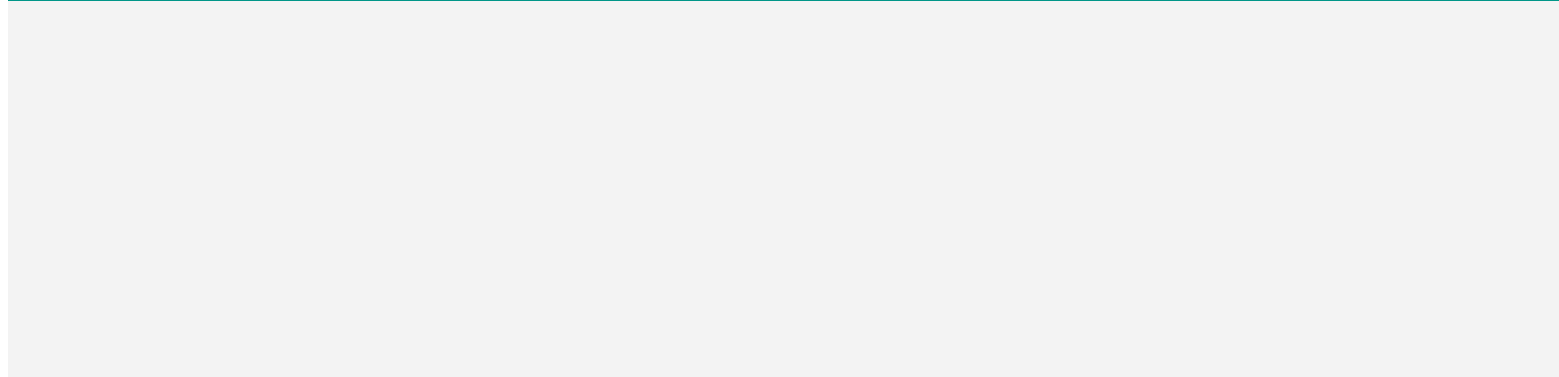

\$86.95

Retain from Year 9 2023:

iiTomo 3+4 Student Book, eBook and Activity Book (2ed)
Pearson

\$92.95

Mathematics - two different courses continued...

Calculator - Casio FX-8200AU	\$50.00

You will either be enrolled in the 5.3 course (most students) or the 5.2 course (1 class, maximum 20 students). After your Term 4 Assessment, the Maths department will send an email to you and your family asking you to express a preference. Based on this, your record of mathematical achievement and application, and the recommendation of your teacher, we will make a decision to place you in the course that is in your best academic interests.

You will be informed by December 2023 which course you will be studying for 2023, so _____ until you know which course you are taking.

You will be required to have a _____ of the textbook in class. If you have sourced a second-hand copy of the print book there is no need to purchase another. Accordingly, select either Digital & Print (recommended) _____ Digital Only (if you have a second-hand print copy).

CambridgeMATHS NSW Stage 5 Year 10 5.1/5.2 2ed	\$63.45	\$69.95
Cambridge University Press		

The calculator listed for purchase here, the _____, is the Oxley preferred calculator. If you already have a working calculator (probably the Casio fx-82AU), there is no urgent need to buy another, but there are functions on the 8200 that will give you advantages over the 82, especially with Year 12 content. See [the NESA website](#) for all permitted models.
